

Get Involved

Real change doesn't happen on the sidelines.

At HittMobb, we believe every young person in Newark deserves a shot at something greater. But we can't do it alone. Whether you have time, talent, resources, or just a heart for youth — there is a place for you in this movement. Here's how you can make a real difference today.

Make a Donation

Your donation is more than money — it's a microphone, a studio session, a life skill, and a future. Every dollar you give goes directly toward empowering Newark youth through music, arts, and creative expression.

- **\$25** provides art supplies for one youth for a month
- **\$50** covers a studio session for a young producer
- **\$100** sponsors one youth in a HittMobb workshop
- **\$500** funds a full community event or open mic

Ideal mentors come from backgrounds in music, film, business, education, social work, technology, or entrepreneurship — but what matters most is your commitment to youth and your willingness to be real with them.
